

HOUSE OF GRACE

An Episcopal Retreat House announces its Easter offering

**Forgiveness:
The Way to Freedom
with
The Rev. Jerry Skillicorn
April 24, 2010**

To forgive is to relinquish the right to hold people's sins against them. Because our hurts have long memories, we are imprisoned in the past. Jesus came to set the prisoners free. This quiet day will concentrate on how we can pray so that the mission of Jesus can be accomplished in our lives.

Fr. Jerry Skillicorn is a skilled retreat leader and has led retreats and conferences aimed at developing the spiritual life for more than 50 years. He leads people through the spiritual exercises as well as teaching centering prayer, meditation, methods for entering the scriptural story and ways of prayer ministry.
